Order Instituting Rulemaking to Implement the
California Renewables Portfolio Standard
Program.

Rulemaking 04-04-026
(Filed April 22, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING
ON MOTION TO EXPEDITE**

On June 25, 2007, the California Wind Energy Association (CalWEA) and the Green Power Institute (GPI) filed the Petition of the California Wind Energy Association and the Green Power Institute for Modification of Decision 05-12-042: Interim Opinion Adopting Methodology for the 2005 Market Price Referent (Petition). The Petition was accompanied by a Motion of the California Wind Energy Association and the Green Power Institute for Expedited Decision and Order Shortening Time Related to its Concurrently Filed Petition for Modification of Decision 05-12-042: Interim Opinion Adopting Methodology for the 2005 Market Price Referent (Motion). The Motion requests that the time for responses to the Petition be shortened to July 9, 2007, and that CalWEA and GPI be allowed to file a reply to the responses July 16, 2007.

In order to give adequate consideration to the Petition without unduly delaying the consideration of the 2007 MPR, the time for responses and reply should be shortened, with responses to be filed and served not later than July 17, 2007, and the reply of CalWEA and GPI to be filed and served not later than July 24, 2007.

Service of documents should be made on the service list of R.04-04-026 (the proceeding to which the Petition pertains) and the service list of R.06-02-012 (the current RPS design proceeding).

IT IS RULED that:

1. The time for filing and service of responses to the Petition of the California Wind Energy Association and the Green Power Institute for Modification of Decision 05-12-042: Interim Opinion Adopting Methodology for the 2005 Market Price Referent is shortened to July 17, 2007.

2. CalWEA and GPI may file and serve a reply to the responses not later than July 24, 2007.

Dated June 28, 2007, at San Francisco, California.
